Allowable Subject Matter

1. Claims 2, 3 and 4 are allowed.

2. The following is an examiner's statement of reasons for allowance:

In the prior action, claim 4 was indicated as allowable over the prior art. The two closest references are Gobush et al (USPN 5,471,383) and Katayama (USPN 6,458,035), neither of which teach all of the claim 4 limitations. The applicant has amended the claims so that the allowable claim 4 is now in independent form and claims 2 and 3 are now dependent on claim 4 and are consequently allowable as well.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
